Mr. J. C. Leppart
Southern Alkali Corporation
Corpus Christi, Texas

Dear Mr. Leppart:

I am attaching herewith a copy of the letter which was received from the War Assets Administration in reply to our letter of May 9, regarding conditions of lease of the Lake Charles property. I believe the letter is self-explanatory.

With regard to paragraph 2-b, I am attaching a copy of the letter from Mr. Weeks, which sets forth the procedure agreed upon by Mr. Weeks, Mr. Baltman, Mr. Means and me when I was in Lake Charles early this month. It is my understanding that the inventory list is practically complete and should be ready for approval of Mr. Clark within the next few days.

Very truly yours,

C. R. Fay
