IN THE DISTRICT COURT OF

PLAINTIFF'S EXHIBIT

USG-554

CAMERON COUNTY, TEXAS

Defendants.

197TH JUDICIAL DISTRICT

Defendant United States Gypsum Company ("U.S. Gypsum") hereby moves as follows to exclude all evidence and argument relating to Ben Miriello, a letter written by him, and the matters discussed in that letter:

1. At the trial of this matter, plaintiff may seek to introduce a copy of a letter written by a Ben Miriello to U.S. Gypsum, dated June 8, 1950.
2. In that letter, Mr. Miriello asserts that his father worked in a U.S. Gypsum facility, was occupationally exposed to raw asbestos fibers, and died as a result of his exposure.
3. Plaintiff presumably offers this letter to demonstrate U.S. Gypsum's knowledge in 1950 of the alleged danger of exposure to asbestos.
4. This evidence is inadmissible for at least four reasons.
 - (a) Mr. Miriello is not competent to testify to the matters in this letter.
 - (b) The letter contains multiple layers of hearsay.

(c) The letter is irrelevant.

(d) Even if deemed minimally relevant, the letter's probative value is far outweighed by its prejudicial effect.

5. Plaintiff also has listed as exhibits additional documents relating to the subject matter of the Miriello letter, and may also seek to read deposition testimony of Mr. Miriello.

6. Additional support for this motion is contained in the accompanying memorandum of law, which is incorporated by reference herein.

WHEREFORE, U.S. Gypsum respectfully requests that the Court enter an Order excluding any evidence or argument relating to Mr. Miriello, his letter, or the matters contained in that letter.

Respectfully submitted,
