

# AMERICAN SOCIETY OF HEATING and VENTILATING ENGINEERS GUIDE, 1937

| SUBJECT                         | TITLE                                                                                             | WHEN ADOPTED  | REFERENCE                                      |
|---------------------------------|---------------------------------------------------------------------------------------------------|---------------|------------------------------------------------|
| Heat Transmission Through Walls | Standard Test Code for Heat Transmission through Walls <sup>a</sup>                               | January, 1927 | A.S.H.V.E. TRANSACTIONS, Vol. 34, 1928, p. 253 |
| Minimum Requirements            | Code of Minimum Requirements for Heating and Ventilation of Buildings, Edition-1929               | June, 1925    | A.S.H.V.E. Codes                               |
| Pitot Tube                      | Code for Use of Pitot Tube                                                                        | January, 1914 | A.S.H.V.E. TRANSACTIONS, Vol. 20, 1914, p. 211 |
| Radiators                       | Code for Testing Radiators <sup>a</sup>                                                           | January, 1927 | A.S.H.V.E. TRANSACTIONS, Vol. 33, 1927, p. 18  |
| Unit Heaters                    | Standard Code for Testing and Rating Steam Unit Heaters <sup>a d</sup>                            | January, 1930 | A.S.H.V.E. TRANSACTIONS, Vol. 36, 1930, p. 165 |
| Unit Ventilators                | A.S.H.V.E. Standard Code for Testing and Rating Steam Unit Ventilators <sup>a</sup>               | June, 1932    | A.S.H.V.E. TRANSACTIONS, Vol. 38, 1932, p. 25  |
| Vacuum Heating Pumps            | A.S.H.V.E. Standard Code for Testing and Rating Return Line Low Vacuum Heating Pumps <sup>a</sup> | June, 1934    | A.S.H.V.E. TRANSACTIONS, Vol. 40, 1934         |
| Ventilation                     | Report of Committee on Ventilation Standards <sup>a</sup>                                         | August, 1932  | A.S.H.V.E. TRANSACTIONS, Vol. 38, 1932, p. 383 |

The following Codes and Standards have been endorsed or approved by the AMERICAN SOCIETY OF HEATING AND VENTILATING ENGINEERS:

| SUBJECT                                 | TITLE                                                                                | SPONSORED BY                                               | REFERENCE                                                                  |
|-----------------------------------------|--------------------------------------------------------------------------------------|------------------------------------------------------------|----------------------------------------------------------------------------|
| Air Conditioning Equipment <sup>e</sup> | Standard Method of Rating and Testing Air Conditioning Equipment                     | American Society of Refrigerating Engineers                | American Society of Refrigerating Engineers, New York, N. Y.               |
| Chimneys                                | Standard Ordinance for Chimney Construction                                          | National Board of Fire Underwriters                        | Chapter 14, THE GUIDE, 1931                                                |
| Condensing Units <sup>e</sup>           | Standard Method of Rating and Testing Mechanical Condensing Units                    | American Society of Refrigerating Engineers                | American Society of Refrigerating Engineers, New York, N. Y.               |
| Piping Systems                          | Identification of Piping Systems <sup>f</sup>                                        | American Society of Mechanical Engineers                   | Heating, Piping and Air Conditioning, July, 1929                           |
| Warm Air Furnaces                       | Standard Code Regulating the Installation of Gravity Warm Air Furnaces in Residences | National Warm Air Heating and Air Conditioning Association | National Warm Air Heating and Air Conditioning Association, Columbus, Ohio |

<sup>a</sup>Adopted jointly by the Industrial Unit Heater Association, and the A.S.H.V.E.  
<sup>e</sup>Proposed code prepared by Joint Committee of American Society of Refrigerating Engineers, AMERICAN SOCIETY OF HEATING AND VENTILATING ENGINEERS, Refrigerating Machinery Association, National Electric Manufacturers Association and Air Conditioning Manufacturers Association.  
<sup>f</sup>Adopted November, 1928, Sponsored by (1) American Society of Mechanical Engineers, (2) National Safety Council.
