SUBJ: Resource Conservation and Recovery Act (RCRA) Compliance Evaluation Inspection (CEI)
Albea Americas, Inc.
EPA ID # TND004039806

Dear Ms. Hughey:

On September 2, 2021, the U.S. Environmental Protection Agency, along with the Tennessee Department of Environment and Conservation (TDEC) conducted a CEI at Albea Americas, Inc. in Shelbyville, Tennessee to determine the facility's compliance status with RCRA and applicable regulations.

Enclosed is the EPA RCRA inspection report. Deficiencies of RCRA were discovered during the CEI. Corresponding data has been entered into RCRAInfo and this matter is being referred to the TDEC for further review. Please follow-up with Albea Americas, Inc. to ensure the deficiencies have been addressed and update RCRAInfo with corresponding information. Pursuant to the Hazardous Waste Civil Enforcement Response Policy, the facility appears to be a secondary violator.

If you have any questions regarding this matter, please contact Javier García, of my staff, by phone at (404) 562-8616 or by email at garcia.javier@epa.gov.
