

1 Q Okay, 2003.

2 A I think, I'm almost certain the 2003 paper was
3 accepted by the original journal to which it was
4 submitted. I'm virtually certain of that because of
5 the difficulty getting into this journal. So I'm
6 fairly certain of that.

7 And I'm certain on the 2004 paper, it was
8 accepted by the journal submitted to.

9 Q It was accepted on submitted?

10 A Oh, they never, they are virtually never
11 accepted as submitted.

12 Q That was the question, I was asking.

13 A I'm sorry.

14 Q Not did you have to shop it around.

15 A Okay.

16 Q But how many times did it come back from the
17 publisher?

18 A You know, if we're going to go another half
19 hour let's take a three or four minutes because we're
20 making too many mistakes.

21 Q I'm almost done.

22 A You don't want to do that, all right.

23 I didn't shop them around. They are never
24 accepted, I don't know that I've ever seen a paper
25 accepted as is without some slight changes. And I'm
