Brittany, thank you for agreeing to meet with the Alliance for American Innovation by conference call on Thursday, April 13, at 11:30 a.m. To participate in the call, dial 1-844-740-1264; PIN 738 067 031.

The Alliance would like to provide a general overview of the issues members have identified in the course of implementation of the Lautenberg Chemical Safety Act. The following agenda outlines with the issues we hope to cover, but we recognize that we only have a short period of your time. If I can provide any additional information in the interim, please let me know. Mike

#### Tentative Agenda for Discussion

- I. General Introduction – General Focus on TSCA Implementation (Mike Gruber, GMA)
- II. LCSA Framework Rules
  - a. Inventory Reset
  - b. Prioritization (including questions/comments on pre-prioritization proposal)

c. Risk Evaluation (including questions/comments on Risk Assessment Guidance due June 22, 2017)

III. First 10 risk evaluations

IV. Section 5 – interpretation of statutory requirements and impact on innovation

V. Fee Rule

VI. EPA Communication
