## 1.5 Mile Evacuation Zone Lifted for Area Surrounding Arkema Crosby Facility

The Crosby Fire Department and unified command has determined it is safe for residents to return to their homes. The 1.5 mile evacuation zone around the Arkema Inc. facility has been lifted and is no longer in effect. Arkema thanks the unified command for their hard work and professionalism to ensure the safety of all during the post-Hurricane Harvey period.

The perimeter of the Arkema Crosby site is secured. Arkema will continue to work with its neighbors and the community to recover from the substantial impact of Hurricane Harvey. For further information on these efforts, please contact the incident helpline at 1-877-4ARKEMA.

Please see the link below for additional information.
