Dear Administrator Pruitt,

I wanted to thank you for your outstanding remarks at the Council for National Policy this weekend, but also, as we get close to this year's Southern Baptist Convention, I wanted to tell you how much I appreciate your service at Southern Seminary.

As all of us who were around for the Conservative Resurgence know, not only is seminary education vital, it's the life and death of our denomination. Certainly the difference at Southern has been like daylight and dark. We are all terribly blessed by what Al and all of you are doing. And having someone with that perspective in Washington is a great blessing indeed.

Let me know if I may be of any help to you. And hopefully Sherri and I will see you in Phoenix!

Warmly,

Rod D. Martin
Chairman, SBC Committee on Order of Business
