THE OHIO FILLING COMPANY
MIL. S. CHIC

In connection with our contract dated April 26, 1955 covering the necessary insulation and finish over cyclone tubes ducts etc., where it has been necessary to remove same to make repairs or install the test pipe channels for gauges, etc. The contract calls for a price of \$1,625.00 per boiler, making a total of \$3,250.00.

The Asbestos Service Company's Invoice dated September 30th billed us in the amount of \$4,692.87 or an overage of \$1,442.87, which was referred to our Service Department in New York. We attach hereto a copy of the Service Department's letter dated November 4th approving this extra charge and recommends the overage be made against Guarantee Requisition G-14214.

We are passing this Invoice to our New York Accounting Department for payment. Please make the necessary changes to the Guarantee Requisition G-14214.
