Dr. Richard Thompson
Stanford Research Institute
1611 N. Kent Street
Rosslyn Plaza
Arlington, VA 22209

Dear Dr. Thompson:

For your examination is attached a draft copy of the Health and Safety Work Practice Guidelines for vinylidene chloride monomer. This document was recently developed by the Vinylidene Chloride Technical Panel of the Manufacturing Chemists Association.

Also, please note the inclusion of a method for the determination of vinylidene chloride in air as validated by "Round Robin" testing.

Sincerely yours,

W. Ronald Hoopes
Chairman
MCA VdC Workpractices Subcommittee
