Subject: EPA Event Request Form - YPO May 9th

Mack,

It was such a pleasure to connect with you this afternoon. Thank you so much for the time and the details you shared regarding the YPO event in May. Per our conversation, I have attached the Event Request Form for you to complete and return to me . Once we have this form, we will get you an answer asap on whether the Administrator will be able to attend.

I believe there was also mention of meetings in addition to the speaking engagement. If you could also please include those on this form, that would be excellent.

Thank you so much for the invitation and I look forward to hopefully working with you.

Warm regards,

Millan Hupp

Sydney,

Cc All,

I have copied you with your point of contact for Tuesday's event which is still being all worked out. His name is Nicholas Luna. No specifics yet but it will take place in the Map Room located in the East Building this coming Tuesday. It will be a ticketed event and Nicholas will update you as needed.
