Hi Rusty, just trying to touch base to determine if the vice president and the secretary will be the only guests on our scheduled ride. Could you give me a return call when you have an opportunity?

Good morning! I will need to know before 2 pm today if we have just 1 or 2 Generals, FYI, I can not bring an extra horse just in case because if that horse is not used and left in the trailer they will have a melt down in the trailer when everyone leaves him. Right now I am planning on bringing 8 horses.

Hi Rusty, just trying to catch back up with you. At this point with no response from the Generals, I am not planning on bringing those designated horses. If you should learn otherwise, let me know no later the 7:30 AM so we can clean, tack, and load.
