THINGS YOU SHOULD KNOW ABOUT PAINT

**How to
Figure
the cost of
Painting**

First, figure the square feet you
want to cover. To do your bedroom
walls, for instance, measure the
distance around the room and multi-
ply by the distance from base-
board to ceiling. Subtract area of
doors and windows.

Then bring the figures to us. We'll
show you the "Dutch Boy" line of
interior finishes... the amount you

need and total cost. It always costs
less to use "Dutch Boy" paints. For
they go on smoother, cover better,
last longer, and leave a proper
surface for repainting.

As your "Dutch Boy" dealer we'll
have all the supplies that make
painting easier and more fun. So
see us for the answer to any paint-
ing question.
