Hi Leila,

I wanted to follow up and see if there's an update on the meeting request between Siemens Gamesa CEO and Secretary Zinke for May 15.

Please let me know if I can be helpful.

Thanks!

Subject: Meeting Request May 15th

Hi Leila,

I hope all is well. I am writing today because we will have Dr. Markus Tacke, Global CEO of Siemens Gamesa Renewable Energy in town on May 15th. Siemens Gamesa Renewable Energy's US operations are headquartered Orlando, they have manufacturing sites in Hutchinson, Kansas and Ft. Madison Iowa, and have service operations across the US.

Dr. Tacke will be joined by Jose Antonio Miranda Soto, CEO Onshore Americas for Siemens Gamesa Renewable Energy, Inc. They would appreciate the opportunity to meet with the Secretary to discuss US operations including offshore wind developments. They currently have availability from 9am-12pm would there be any potential for a meeting with the Secretary?

Please let me know if it is helpful to provide additional information or to fill out a meeting request form.

Many Thanks
Abby
