

Notes:

- Minister Frydenberg has suggested that EPA Administrator Pruitt meet with the U.S. Studies Centre

TBD

Meeting with Sydney Institute for Marine Science on Sydney Harbour Clean-Up

Location: Sydney Institute for Marine Science, 19 Chowder Bay Rd.
Mosman
Press: None

Notes:

- Meeting with public/private entities on how Australia keeps Sydney Harbour clean and “trash-free” with a discussion on water rehabilitation and trash clean-up efforts
- SIMS has stated that tour of harbor would be difficult given boat sizes and potential for protest
- Options
 - Option 1: walk from hotel to Circular Quay, take ferry to Taronga Zoo, car to pick up delegation from Zoo and head to SIMS
 - Option 2: drive directly from hotel to SIMS

12:00-2:00 PM

Innovative and Responsible Development of Shale Gas Resources Luncheon Roundtable

Location: TBD
Press: None

Notes:

- Dialogue that the Administrator would hold with the private sector on hydro-fracking
- Suggested participants include AmCham Energy and Resources Committee and member energy companies
- Potentially hosted by a law firm to avoid ethics issues

2:30-4:00 PM

Roundtable with NSW Government on Cooperative Federalism

Location: TBD
Press: None

Notes:

- Closed-door roundtable meeting format
- Focus on federal vs. state relationship and “push-pull” including on environmental issues
