

December 28, 1940

ACKNOWLEDGED
12/30/40

Mr. Frederick Laist,
Vice-President,
International Smelting and Refining Company,
25 Broadway,
New York City.

Dear Mr. Laist:

Attached you will find a copy of a letter of transmittal with an affidavit executed by Mr. Knox and sent to Mr. James W. Laist. Mr. Johnson and Mr. Knox talked to Jim on the phone and since there was a big rush to get this, it was sent direct with the arrangement that copies should be sent to you. East Chicago has not sent me a copy of the affidavit, although the proposed form was discussed with them some time ago.

I presume the arrangement is satisfactory with you but to make sure I am calling it to your attention.

Very truly yours,

FOC:vlc

December 26th, 1940

Mr. F. O. Case, Manager of Midwest District
International Smelting and Refining Company
20 North Wacker Drive
Chicago, Illinois

Dear Mr. Case:-

Re: Johnson, Bowman and Knox Application,
Serial No. 178,352, Filed December 6,
1937, For: Method of Producing White
Lead

The affidavit enclosed with Mr. James W. Laist's letter
of November 27th, and forwarded by you on November 30th, has been
signed and forwarded direct by air mail to Mr. James W. Laist.

Delay was experienced in executing this affidavit, due
to several changes that necessitated it being redrafted. In order
to return the affidavit to Mr. Laist before the first of the year,
it became necessary to forward the redrafted copy direct. We
trust that this meets with your approval.

Yours very truly,

W. J. Knox
White Lead Plant Superintendent
