Hi Christie,

We just spoke on the phone a minute or two ago. In following the statement from last week opening public comment on GHG/CAFE standards (<https://www.epa.gov/newsreleases/epa-dot-open-comment-period-reconsideration-ghg-standards-cars-and-light-trucks>), I've been unable to find *where* one would go to comment. I followed the directions on this document – <https://www.epa.gov/sites/production/files/2017-08/documents/ld-ghg-mte-request-comment-reconsider-fm-2017-08-10.pdf> – and looked here

– <https://www.regulations.gov/docket?D=EPA-HQ-OAR-2015-0827> – but cannot actually find the spot where comments can be submitted.

Is there any way I can find this out by the end of today?

Thanks,

Benjamin Preston
