Hayley,

Thank you for confirming with me. I apologize for the delay as I was out of the country. I will definitely follow up on future opportunities for the Administrator to speak with our group.

Thanks again for all your and Lincoln's help. Keep up the great work!

All the best,

Jason

At first glance, he will be on domestic and international travel around that time and unfortunately, I don't believe we can make this work. However, let me double check at our scheduling meeting on Thursday. I will follow up with you soon after.

Please let me know if this is possible and what we would need to do to have him attend our national board meeting.
