Subject: Retirement

You have probably heard by now but I recently announced my intentions to retire at year's end. I will be 62 next year and I have always planned to go at that time. Just didn't know what month. As it turns out, from a work perspective, there is a natural jumping off point at the beginning of the year. If I miss that, I will be around another 12-18 months and I don't want to do that. I hope to see you at the Dove Hunt or somewhere before I check out. I will be around until the end of the year. You have always been one of my favorite folks to work with and I wanted to let you know firsthand. Ex. 6 - Personal Privacy
