Paint Points

A BOOKLET that tells what a little paint will add to the appearance and the value of the "home place." It tells what kind of paint to use for different surfaces. That's the secret of paint-success. Write to-day for a free copy of "Paint Points." A touch of

THE SHERWIN-WILLIAMS FAMILY PAINT

here and there will keep baseboards, brackets, boxes, benches, flower stands, and all the little things about the house bright and new and attractive. It is made for this one kind of painting and no other. Ready to use—anyone can use it. All colors.

Over ten thousand dealers sell

THE SHERWIN-WILLIAMS PAINTS

Different paints for different surfaces—not one for all. The very best paints manufactured. Made by the largest and best paint and color factory in the world.
