A Yes, I did.

Q And when did you first meet Mr. Wood?

A I was --

Q You may look at your notes at any time to refer.

A That would be helpful.

The initial time that I saw Mr. Wood was on January 9th, 1990. I was called during the afternoon that day by the surgeon who was treating him, Dr. Moko, and asked to perform an oncology consultation.

Q Why were you asked to perform an oncology consultation?

A Mr. Wood had presented to his physicians several weeks prior to that time with complaints of pain in the right shoulder and shortness of breath.

He had had an evaluation which included chest X-ray which showed a large right pleural effusion, that is, fluid in the right lung and also evidence of a lung mass.

A number of diagnostic procedures had been performed in attempting to establish a diagnosis and
