Secretary Pete Buttigieg
U.S. Department of Transportation
1200 New Jersey Avenue, SE
Washington, DC 20590

Dear Secretary Buttigieg,

I write today in support of Siouxland Regional Transit System's (SRTS) application for the Rebuilding American Infrastructure with Sustainability and Equity (RAISE) grant opportunity. SRTS services five counties in my congressional district - Cherokee, Ida, Monona, Plymouth and Woodbury counties.

If awarded, this funding opportunity would go towards the expansion of SRTS's storage, maintenance, and administrative facilities. This will allow SRTS accommodate their growing workforce while continuing to provide these five counties affordable and accessible transportation alternatives.

The RAISE Grant would make a positive impact on my congressional district. Within your rules and regulations, I respectfully request you give this application your full consideration. Please do not hesitate to contact my office at (b)(6) if you have further questions.

Sincerely,

Randy Feenstra
Member of Congress
