Dear Mr. Castleman:

This is in regard to your letter of December 4, 1978, acknowledged in our letter of December 14, 1978, concerning your request to obtain information on asbestos-containing spray applied products manufactured in earlier years.

The various product categories covering spray applied materials Classified by Underwriters Laboratories Inc., including the manufacturer's name and city address, are described in the Fire Resistance and Building Materials Directories. We are enclosing a copy of each of the above current product Directories.

The other information requested in your letter would require a review of proprietary information and is not available.

Very truly yours,

K. W. Howell
