Bill,

I am forwarding these letters to our folks in BLM and Land and Minerals who are working this issue at the policy level.

Thanks,

Scott

Scott,

Attached is the entire series of letters on the issue. Please let me know if you have any questions.

WGA is still very interested in engaging with DOI on the seed issue beyond our comments on the seed strategy. If possible, I would be very interested to hear your thoughts on the new Administration's plans/goals regarding seed policy.

Thanks

Bill
