HEALTH DIVISION

JOS. F. BREDECK, M. D.

HEALTH COMMISSIONER

H. I. SPECTOR, M. D.

ASSISTANT HEALTH COMMISSIONER

Dr. Robert A. Kehoe
Kettering Laboratory of
Applied Physiology
College of Medicine
University of Cincinnati
Cincinnati, Ohio

Dear Dr. Kehoe:

In reply to your letter of October 30, I am quite sure that any additional changes made in my manuscript as part of the lead symposium will be acceptable to me.

I should like to have about twenty reprints of the article and if they are obtainable, I should want such reprints to include the entire symposium. Any costs of such reprints can be billed to me at this address.

Cordially yours

John Buxell
John Buxell, Chief Engineer
Sanitary & Food Control Sections
