LEGAL NOTICE

RESOLUTION NO. 4439 C.S. of Preliminary Determination under Section 17, Article XIII of the California Constitution

WEBSTER STREET, ET AL PROJECT.

RESOLVED, by the Council of the City of Monterey, that it does hereby preliminarily determine that the public convenience and necessity require, and that it intends to order the work to be done and improvements to be made in said city, to-wit:

That Webster Street and Anthony Street between the line of Camino El Estero and the east line of Figueroa Street and Cortes Street, between the south line of Franklin Street and the north line of Webster Street, be widened in said city, be improved by grading and constructing therein between gutter lines a pavement consisting of crusher run rock base 3 inches in thickness and an asphalt concrete wearing surface 6 inches in thickness, concrete curbs and gutters on both sides thereof except across the roadways of intersecting streets and where the said crossings are to be constructed hereunder, and concrete sidewalks along both sides of said streets, except across roadways of intersecting streets, and 16 cement concrete sidewalk crossings.

2. That Robinson Street between the west line of Camino El Estero and the east line of Figueroa Street be improved by constructing thereon the pavement described above together with a concrete gutter along the center line thereof 3 feet in width and 5 inches in thickness.

3. That the plans and showings and designation upon Page 28 of the Assessor's Block Book of the City of Monterey, on file in the office of City Clerk of said city.

All of said work is as described and set forth in plans and specifications heretofore duly adopted by Resolution No. 4383 C.S. of said Council on February 19, 1935, on file in the office of said City Clerk, and there is excepted from said work all work shown on said plans as "excepted."

4. The work shall be done to the grades established thereon by said plans and profiles, which are hereby fixed and established as the official grades therefor. Notice is hereby given that said work will be done at other and different than the existing surface grades.

5. Said contemplated work and improvements is of more than local ordinary public benefit and the cost thereof will
