Hey Mike,

Saw you called, sorry I missed you. Will give you a ring back in an hour or two. Deadline for my query -- tomorrow morning doable?

I owe them a draft by end of the week though changes could be made after. Not 100% sure those quotes I sent will be in the story, but want to make sure I have it straight just in case.

Going to incorporate info about Superfund strategy more broadly from the administrator -- some of the non-Tar Creek discussion.
