Top Nominees

Prof. Hermann Kautner of the Liberal Democratic Party (LDP) is listed as the nominee for president, a figurehead office, and some cabinet positions are assigned others outside the SED.

Otto Grotewohl, co-chairman of the SED since it was formed by a Russian forced merger of the Socialists and Communists in 1946, was named Chancellor, or Prime Minister.

While advising the rank and file to be on guard against sympathizers of Premier Marshal Tito of Yugoslavia, the Communist chief-lains served notice in a policy statement that their eastern republic will be used also to fight what they called Quitting Germans in the Western Federal Republic at Bonn.

Action Seen Friday

The German statement was issued amid indications that the Soviet German satellite government will be proclaimed in Berlin Friday at a special session of the Communist-ruled German People's Council.

The Soviet-licensed ADN news agency announced the Communist-ruled German People's Council will convene at noon Friday as a "special chamber to bring a constitutional government of the German Democratic Republic into being."

A national emergency has been created by the formation of a West German State and the "dictatorial policy of the western high commissioners," a communist said.

"The council had to take steps now," it was added, "to guard the national interests of the German people and the whole nation."

The policy statement pledged, among other things, "special at-

Halt Germany Dismantling, Senators Urge

WASHINGTON, Oct. 5 (AP)—Forty-four Senators appealed to the State Department today to call a halt on the dismantling of industrial plants in Western Germany.

Both Republicans and Democrats joined in the letter to Secretary of State Acheson. They urged another effort to keep plants which would aid German economic recovery.

Sen. Taft (R-O.), Wherry (R-Neb.), McMahon (D-Cal.), Graham (D-N.C.), Douglas (D-Ill.), Bridges (D-Mid.), were among the signers.

The group told Acheson they understand that Great Britain has stepped up the dismantling of plants in the British zone and is scrapping valuable equipment.
