Re: [REDACTED]

Glasgow, Kentucky

Dear Dr. Kehoe:

I enclose a copy of the deposition of [REDACTED]
one of the plaintiffs in the suit against Standard Oil
Company and its dealer in Glasgow, Kentucky.

I would appreciate your examining this deposition
and then giving me your comments concerning his alleged
physical difficulties. You will note that he was an evasive
witness and obviously had talked to some M.D. about lead
poisoning.

Mrs. [REDACTED] the other plaintiff, did not appear for
her deposition. Her attorney and husband claimed that she
was sick in bed on the date set for the depositions. She
is to appear at a later date. I would appreciate any suggestions
which you may have as to questions which should be directed
to her.

Very truly yours,

RICHARDSON, BARRICKMAN & DICKINSON
