**Subject:** Ranking sheet questions

Hello John and Anton,

Can either of you provide me better understanding to why on the FS Ranking Sheets in the FY 19 submission, the Criteria (1,2,3) for the Program sheet is different from the Additional Investments. Should the criteria for both be the same? Also within Reform Proposals section FS list

(b)(5), Deliberative Process Privilege

Can you provide detail to what makes up this estimated cost? If you can provide me this information as soon as possible I would appreciate it.

Thank you
