Subject: Therminol FR-1 Disposal

Dear Mr. Milner:

We have received a note mentioning that you are interested in disposing of a used drum of Therminol FR-1.

We would suggest that you try to locate a toxic dump in your area for disposal or, if that is not available, please return it freight paid to

Monsanto Company  
Department 246  
Sauget, Illinois 62201

A label has been enclosed to assist in shipping the fluid to Sauget. The charge for disposal would be \$.03 per pound.

Should you have any questions please contact Mr. Larry Shelton in Seattle at 206-762-2600.

Very truly yours,
