

1 boxes of materials that were given to you by
2 Ford's lawyers to review?

3 A I believe it was.

4 Q All right. And the letter itself
5 says, Dear George, at the request of Ford's
6 office of general counsel, the enclosed
7 statement should be, should be enclosed in each
8 shop manual set for all prior years up to and
9 including the 1984 shop manuals which are
10 either sold to retail customers or shipped to
11 our dealers.

12 Therefore, will you please reproduce
13 this fly sheet and insert one copy in each set
14 of shop manuals.

15 Did I read that right?

16 A Yes.

17 Q All right. And page 2 of that
18 document is, which is, I guess, the attachment
19 that, that Mr. Altieri is being asked to
20 reproduce, is a warning statement regarding
21 asbestos subpoena, isn't it?

22 A Yes.

23 Q In the question I wanted to ask you
24 about that, then, based on that document, is it
25 your understanding that Ford waited until 1983
