Dear Mr. Martinotti:

This will acknowledge your card request to our Mr. W. G. Bammann for a copy of our Technical Bulletin O/PL-306, "Aroclor® Plasticizers" (a 1960 publication).

Monsanto discontinued the manufacture and distribution of chlorinated polyphenyls several years ago. Consistent with our company policy not to release any brochures or technical bulletins on discontinued products, I cannot release the information you requested.

I do regret we cannot be of service to you at this time.

Sincerely yours,

Dominic Danna
Manager, Technology Licensing
