Good Morning Chase

Thank you for your request to meet with Deputy Secretary Bernhardt. Unfortunately he is unable to meet with you at this time but has asked that the Office of the Assistant Secretary for Land and Minerals Management meet with you on his behalf. I have copied Tracie Lassiter on this email who will be able to assist in scheduling a meeting for early January.

Thanks

Deputy Secretary Bernhardt,

Wanted to reach out and see if there might be an opportunity to meet late this week or sometime next week. One of our requests to the Secretary, was that the department reevaluate BLM policy 1730 as it relates to domestic and bighorn sheep. I understand that perhaps the agency is reviewing that document and wanted to see if there was an opportunity to visit further.

I am not sure that the timing is ideal, but wanted to make the request. My schedule is fairly open on Friday or anytime the week of Dec. 17.

Appreciate the consideration,

CA
