

All working parts on COVER

Only ADSCO's exclusive features make maintenance so easy. There's no breaking of pipe connections to inspect or service the trap, because all working parts are mounted on the cover. An extra cover assembly becomes a complete spare trap... replace the cover in a matter of minutes, service the original, and the result is a spare trap always ready.

ADSCO traps offer additional exclusive advantages: reversible stainless steel valve and last double the life of the trap... Inlet and outlet connections on both sides make installation easy and less expensive. Write today for catalog data.

TEAMWORK PRODUCES BETTER PIPING

Western Piping Supply gives customers fabricated piping of superior quality because every job is a team job. Design engineers, draftsmen and foremen work together... laying out each job to provide flexibility and simplicity, at lowest possible total cost.

You'll get these benefits, too, when you specify WPS.
