Mike,

If we have to wait until the 12th, would it be possible for you to nominate Jennifer to represent CP vote on the call?

Patsy

Russ,

Due to the holidays, our key decision makers are out of the office until the week of January 8 -- perhaps other companies are having similar challenges. Suggest we push the January 5 conference call back a week (12th?).

This would push the timing of "Funding & conditions relayed to PI" on

the Timeline slide #4 of the package below back a week as well (i.e., from 1/8/07 to 1/15/07). The remaining items on the timeline would not have to change (e.g., QA/QC Team could still move ahead with their work and identify metrics by 1/31/07).

This is clearly no reflection on our support of the study -- it's just that time of the year.

Regards,
Brian Doll
