

1 A We moved in 1962 to the Oliver Street
2 location.

3 Q And where is the Oliver Street location?

4 A Oliver and Maryland Avenue.

5 Q And in the Oliver Street location that Mr.
6 Wood worked out of, did he -- he worked as a
7 dispatcher.

8 Where did he work as a dispatcher?

9 A The dispatcher office was the last on the
10 right as you go into the Oliver Street -- you had an
11 underpass that you went under, like a tunnel like, and
12 the offices were -- you had a swing room, the locker
13 rooms.

14 Everything was on the right side as you
15 would go down, and the dispatch office was the last
16 office on the right next to the opening of the shop
17 doors to go into the shop.

18 Q When you say opening to the shop, going
19 into the shop, are you referring to the actual
20 garage?

21 A Garage, right.
