Ladies I promise that this is my last update. Location added.

I wanted to get a date on the calendar for what is evolving into a biannual Women in Energy (WinE) Happy Hour. All are welcome, so feel free to forward this invitation.

A few disclaimers....

- If you should have been on MY list and got this through a forwarded message from someone else, forgive me! I'm simply relying on past invitation lists and have not individually scrutinized the names.
- Details will follow closer to the date.
- Feel free to suggest locations that will accommodate the group (leg work on your part appreciated).
- This is not a Hess sponsored event.
- No one is being invited to this event in any official capacity; just a bunch of friends that have known each other over the years getting together.
