Medical Supervision of
Employees working with
Tetraethyl Fluid.

General Letter

Standard-Vacuum Oil Company
Refined Oil Division
Hongkong.

Gentlemen:

You will find attached copy of a letter to Shanghai office, written under date of June 1st, pertaining to the Medical supervision of employees working with Tetraethyl Fluid, also copy of Dr. A. W. Schoenleber's letter of May 2nd addressed to Mr. G. S. Walden.

The contents of both letters are self-explanatory and it is requested you take whatever action is necessary to see that the instructions given pertaining to the Medical supervision of employees working with Tetraethyl Lead are rigidly observed.

Yours very truly,
STANDARD-VACUUM OIL COMPANY
