Report for Industrial Hygiene Services Provided on May 13, 1997

Dear Mr. Heath:

Attached is my report for industrial hygiene services performed at the above facility on May 13, 1997. The report's Executive Summary section summarizes the major aspects of the service detailed in the Discussion of Findings section. The Recommendations section offers suggestions on how potential exposures for loss might be reduced. The Addendum section contains supporting data and information mentioned in the body of the report.

Please feel free to call me at 1-847-255-6954 if you should have any questions regarding the content of this report or if Zurich Services Corporation or myself can be of any further assistance to you. I will be contacting you to discuss your plans to address the recommendations and to offer assistance with implementation. At your convenience, I would appreciate verbal or written documentation regarding your progress on addressing the recommendations.

Please extend my thanks to all those contacted during my visit for their assistance in completing this report.

Sincerely,

Janice Turner, CPH
