Hi Tate --

Did you still need me to work with Tim O'Brien's assistant to see if we can find a time for the three of you to have a call? If so, how much time do you need, and what is the subject of the call?

Hi Kari! Thanks again for setting up our call this evening. Much appreciated!

At some point in the coming weeks, my team, Valerie and Tim O'Brien need to all hop on the phone for a follow-up call. Do you mind at some point sending me some days at times that might work for them?

Thanks in advance!

-Tate

Good Morning:

I understand that you would like to have a quick phone call with Director Brader. Can you tell me how much time you are looking for and what the subject matter would be? That will help me find an appropriate time for the call.

Thank you,

Kari L. Vaughn
