Dear all,

As indicated by [REDACTED] here some (late) documents regarding Agenda point 6 (overall strategy).

In the attached versions of both the decision document and the one-pager on the PFAS subgroups, we have tried to process all remarks received. There are still some parts to be updated. Thank you all for your active contributions and suggestions. Coming Monday, we will not discuss both documents in detail. In my view, we should agree on next steps and how to take the decisions mentioned in the document.

Kind regards,

[REDACTED]
