Neal,

It was a pleasure to meet you. Next month sounds good - how about the week of January 15th?

Aurelia great to connect last week & thanks again for sharing your insights with the group at Hunton. Will look forward to staying in touch!

As discussed, I'd like to find a time next month to connect you with the executive director of the National Park Trust, which works to preserve park land for the NPS and bring kids to the parks.

I'm on the board of NPT and think our mission is really well aligned with your office's mission. Thanks for considering.

Best,  
Neal
