RE: NPC v. Monsanto et al.

Dear Paul:

Enclosed is a letter I received today via fax. Please advise the Defendants that Mr. Zornes will be unable to attend his deposition currently set for Friday 16 July 1993. As you will read Mr. Zornes' medical condition precludes his attending a deposition. Several years ago Mr. Zornes underwent surgery to remove a tumor from his brain. He is under constant medication. If necessary Dr. Cruvant will execute an affidavit but the doctor's time constraints precluded his doing so at this time.

Sincerely,

RE: Mr. James Zornes

I am Mr. Zornes internist. Mr. Zornes has several medical problems the most important of which is an inability to have a stable emotional state. He suffers from a form of depression and is being treated with medication at present. His mental abilities are unstable. It is unpredictable as to his ability to concentrate and remember items from the past. I do not expect this problem to appreciably change despite medical treatment.

Sincerely,

E. Cruvant MD
