BRIGHT COLORS - RICH AND RUDD

Like a polished pinbow!

and is easy to use.

Dutch Boy Quik Drying Enamels dry smoothly from your brush spreading evenly and quickly. On spray them, if you wish. They lay dry in a high gloss finish with a hard rugged paint film. You get the Freedom of Quik Dry, because Dutch Boy Enamels are made of hard rub and polymers. Washable Oil Enamel is as strong as necessary with soap and water, without loss of lustre or color.

The hard film and high gloss in furniture like a glass top, woodwork and trim with the beginning sparkle you've ever dreamed about for a glass turned. Sprayed, wax, an appliance, bicycle, machinery, tools, toys, for beautiful finish, cabinets, and bedding - everywhere you desire a brilliant, hard, durable, washable finish.

Firm and fresh —
as a factory finish!

So Savat it helps you paint!

You can hardly feel it flow off your brush. And it dries easily—every surface smooth as can be.

That's what - hot - hand!

It goes and does hard work so do its worst. A quick work and it's good as new.

That's what - hot - hand!

Really good and smooth as new—
and does it better. And Don't Buy
Quick Drying I want to really good
