Askarel Bulletin
Reference to Appendix K

J. C. Weber B2SK
D. Wood B2SD

Confirming, following is copy for revised Appendix K to the "Transformer Askarel Inspection & Maintenance Guide" bulletin. As you suggested:

Appendix K

Caution Label
The following or equivalent caution statements should be fixed on all containers of transformer askarels and the transformers themselves:

This product contains Polychlorinated Biphenyls (PCBs). Care should be taken to prevent entry into the environment through spills, leakage, use, vaporization, or disposal of liquid or containers. Avoid prolonged breathing of vapors or mists. Avoid contact with eyes or prolonged contact with skin. If skin contact occurs, remove by washing with soap and water. Following eye contact, flush with water. In case of spillage into clothing, the clothing should be removed as soon as practical and the skin washed. Dispose of any contaminated materials as suggested in the American National Standards Institute document C107.1-1974, "Guidelines for Handling and Disposal of Capacitor and Transformer Grade Askarels, Containing Polychlorinated Biphenyls".

If this copy is not exactly as you suggested it, please notify me immediately as I am proceeding with printing.

William D. Lubic
