We're honored to host the Secretary. While we don't have a precise time for his remarks, we are thinking it would be during the opening day (Friday, Dec. 13), perhaps in the 3 pm time frame. And there may be an opportunity for private conversation with the Governors at an event the night before. And, as always, there is time for private sidebars the morning of opening day.

Let me know if you need more information. We will be able to be more specific on time by Labor Day at the latest.

Fire away with questions.

Do you have an idea when you might want him to speak (we want to make sure we hold time on his schedule to get him there in time)?

Thank you!
