WHY	<p>The National Assembly of Sportsmen's Caucuses (NASC) Sportsman-Legislator Summit is the largest annual gathering of pro-sportsmen legislators from across the nation. This event also provides the bipartisan group of sportsmen-legislators with the opportunity to interact with state and federal natural resource agencies, allied non-governmental organizations, and industry partners interested in the future of our nation's outdoor heritage.</p> <p>The two days of meetings provide a venue for state legislators to discuss policy issues and share information relevant to our time-honored sportsmen's heritage. Additionally, the NASC Summit provides an opportunity to celebrate past achievements and to highlight the contributions of sportsmen and women to conservation.</p>
