Hi, Mike. Nice to hear from you. I will definitely forward the letters and make sure that the Administrator sees them. Thank you for sending them our way.

The Administrator should be back from his foreign travel by June 15. However, I'm copying Sydney Hupp to work with you on confirmation (sometimes she knows more details than I do as far as the schedule is concerned).

Please let me know if you need any further assistance, now or in the future.

**Subject:** NAHB letters to Administrator Pruitt

Michelle –

I am seeking your assistance transmitting these two letters to Administrator Pruitt. The first letter thanks the Administrator for last week's meeting. The second letter is a copy of a letter that has been transmitted to the President praising him for his leadership in signing the Executive Order on "Waters of the United States" rule. Could you please make sure copies of these two letters are shared with the Administrator and members of his senior staff that attended last week's meeting.

Within NAHB's thank you letter to Administrator Pruitt, NAHB's 2017 Chairman of the Board, Mr. Granger MacDonald reiterates our request for the Administrator to address NAHB's Board of Directors during our Midyear meetings in Washington D.C., June 13-17 at the Marriot Wardman Park Hotel.

The Administrator did mentioned during last week's meeting, he has some foreign travel plans for some time in June. However, prior conversations with his staff indicated the Administrator might be available on the afternoon of Thursday, June 15 (e.g., between noon and 2:30 p.m.). **Can you please confirm whether or not the afternoon of Thursday, June 15<sup>th</sup> is still a possibility?** NAHB staff will of course will remain flexible to the Administrator's schedule for that week.

Thanks again for all your help with last week's meeting. Our senior leadership couldn't have been more pleased with the reception they received from Administrator Pruitt and his senior staff.

- Mike
