Dear [REDACTED]

We would like to thank you for the fruitful meeting last week about the Universal PFAS Restriction.

We understand that the process is still in the hands of ECHA's scientific committees and we appreciate the time you dedicated to hear our concerns.

In order to follow-up on our discussions, we wanted to share with you the slide deck that we presented during our meeting (please know that some of the data is confidential and has been submitted as confidential input to ECHA's consultation). We also would like to share the US Department of Defense "Report on Critical Per- and Polyfluoroalkyl Substance Uses" of August 2023, which documents the essentiality of the use of fluoropolymers in the defense sector.

We reiterate our invitation to visit our research facilities in Brussels, [REDACTED]

We are already organising a visit with your colleagues from DG RTD [REDACTED] and [REDACTED] next week. We would be glad to host you too. Please let us know if you would be interested and when would you be free to arrange a visit.

Feel free to let us know if you have any follow-up questions or doubts.

We look forward to hearing back from you.

Kind regards,

[REDACTED]
